

# SGM12D -- Signal-Quick- Sight Glass Sensor Mount, 12mm

Sight Glass Sensor Mounts quickly attach tubular proximity sensors and plastic indicator tubes for level detection.

## Product Specifications

<p><b>Product Type</b></p>	 <p>Signal-Quick Sensor Mounting</p>
<p><b>System Components</b></p>	<p>Sight Glass Mount</p>
<p><b>Size</b></p>	<p>12mm</p>
<p><b>Component Material</b></p>	<p>Delrin<sup>®</sup> Body, Stainless Steel Hardware</p>
<p><b>Pipe Range</b></p>	<p>3/8" to 1 3/4" NPT</p>
<p><b>Product Description</b></p>	<p>Signal-Quick is a full line of sensor mounting innovations designed to save design, manufacturing and maintenance costs. Industrial sensor mounts are costly and time consuming to fabricate. When subjected to harsh industrial environments, sensor mounts ca</p>
